The background is a solid dark blue. In the top-left corner, there is a square area with a pattern of small, light blue triangles pointing outwards. To the left of the center, there is a large, stylized, concentric circular pattern made of alternating light blue and dark blue segments, resembling a ripple or a target. In the bottom-left, there are several faint, light blue concentric circles. A white line graphic starts from a small square at the bottom-left, extends horizontally to the right, then turns vertically upwards, and finally turns diagonally to the left, ending near the center of the slide.

CONCLUSIONES

Gracias Por Su Atencion
